Notes:

The amounts above are subject to VAT 24%

- The first annual membership fee is paid along with the registration fee and covers a period of one year from the date of registration as well as the use of the services provided during this period.
- The services provided in each category are consumed within the time of the membership and are not transferred to a later period. Exceeding the covered services of the category implies the transition to the next category.
- Each subsequent annual membership fee is paid no later than the expiration date of the previous one.
- Each annual subscription for Global Company Prefix covers up to 100,000 GTINs.
- Any additional membership fee for GS1 Company Prefix is estimated under the Basic category, reduced by 30%.
- Variable Measurement and Coupon Numbers are free of charge. Prerequisite for their allocation is the previous allocation of GS1 Company Prefix and GLN, respectively.
